Running/walking track

The Recreation Division is excited about this new facility, and looks forward to inviting you to the grand opening celebration.

Bob and Louise Wiley were recognized on May 12, 2004 for their dedication and service rendered to South Jordan City and the Senior Citizens Committee. Mayor Kent Money issued a proclamation honoring their service and declared that May 12, 2004 would forever be known as Robert Wiley Day.

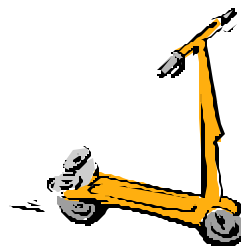

Go-Peds

Recently South Jordan City Police Department has received many inquiries as to the laws regarding "Go-Peds" and the use of off-road vehicles. Many parents are not aware of the laws concerning these types of recreational vehicles and have called to get information before purchasing such a vehicle. Here is some helpful information to assist in the decision for your family to own or use these types of vehicles.

"Go-Peds" are considered "Motor Assisted Scooters" by Utah Law (41-6-90.5 UCA). Some of the highlights of the law are outlined below:

Go-Peds **cannot** be operated:

- In any parking structure
- In any area where skate boards are prohibited
- On any street with four or more lanes
- On any street with a speed limit greater than 25 miles per hour
- If there is any alteration to the manufacturer's design
- By anyone younger than 16 years old, unless in the **direct supervision** of a parent or legal guardian

South Jordan Police Department would also like to remind you about helmet safety. Wearing a helmet while riding a scooter or bicycle is an absolute necessity. Your helmet will do no good if it is not properly used. It is important the helmet fits snugly, the straps are properly positioned, and the chinstrap is firmly buckled and snug up against the throat.

If you have any questions about traffic safety, please contact South Jordan Police at 254-4708.

Code Enforcement

Ordinances that are commonly violated is the infamous "Leash" law (Ordinance 6.12.050). When walking your pet on the streets or park trails, they must be on a leash at all times. This helps avoid any attack or conflict with people, or other animals. Dogs are required to be licensed with the City each year (Ordinance 6.12.010). Tags are to be worn at all times (Ordinance 6.12.030).

Nothing makes a citizen more upset than a loose dog or cat. No matter how sweet that animal cleaning up behind them is not a treat. Time, money and hard work go into yards and landscape, and if your pet leaves its calling card anywhere other than your own yard, you are required to clean it up under the Nuisance ordinance (Ordinance 6.08.020). A barking dog is also under the Nuisance ordinance. Complaints come in daily on this one. Dogs can be a great alarm system, but other problems can cause needless barking, thus disturbing the peace of your neighbors.

Citations are issued for violation of these ordinances, and others. If you wish to obtain a copy of these "Animal Control" ordinances for review, please contact Code Enforcement at 254-3742, and we will be happy to mail them to you.

A responsible pet owner makes a Great neighbor!
